

PowerStation™

Model 10.W7

“We got Powerlink installed with the Hollander PowerStation a few months back and we love both. It is amazing how well the PowerStation works and it is small enough to fit anywhere even in a small and cramped office.”

Jeff Balow, Balow's Hwy 7 Auto Salvage, Lester Prairie, MN

A mini-server for Powerlink® with a mini-price

Powerlink can offer your business a competitive edge with improved productivity and an efficient way to expand your business. Take advantage of the industry's leading yard management system, Powerlink, with minimal investment by opting to use Hollander's PowerStation, a mini-server with a mini price that makes Powerlink even more affordable.

Focus on your Work not the Computer Network

Through PowerStation's engineering and design, Recyclers can now have a mini-server solution that helps save time and money:

- Works with any PC you have, even a MAC
- Never update a workstation again
- Low monthly fee
- Overnight Warranty Replacement
- Fast processor for quick response to your parts searches or inventory entry
- More powerful than a standard PC yet compact and easy to fit anywhere
- Secure Windows environment keeps your system and data secure
- Windows Easy Print enabled
- Easier to install and maintain than a standard PC
- Flash drive or hosted backup

PowerStation

HOLLANDER POWERSTATION, A POWERFUL MINI-SERVER WITH POWERLINK. A TURN-KEY SYSTEM AT A VERY AFFORDABLE PRICE

Hollander's PowerStation puts all the features of Powerlink at your disposal:

Sell more parts:

- Automated sales screen suggestions advise staff when to negotiate*
- View images of your parts eliminating the need to go the car
- Smart Sell icons show customer status and sales potential*
- Easy to sell extended warranties

*Not included in Powerlink Essentials

Efficiently manage inventory:

- Automated Pricing lets you re-price your parts based on market conditions*
- Advanced VIN decoder to filter out parts not applicable to the vehicle
- Automated Parts Grading for easy and accurate grading using ARA standards
- Bulk price maintenance lets you relocate, re-price or re-tag many parts at once*

Take control of your business:

- ProReports provide more accurate business and financial metrics
- Accurately define which vehicles and parts produce the most sales
- Prioritization of vehicles that need to be inventoried or dismantled
- Download many of your software updates directly on the server
